Final thoughts

Restorative Gloucestershire Annual Event 2016 – Feedback

If you were running the event, what would you have done differently?

Can't think of anything; it was perfect
A break between afternoon sessions – tea/coffee?
Nothing!
Thought everything was well run
Cannot think of anything; it was all very well done
Including a delegate list in the packs would be really useful if you don't know people!
Add a delegate list
Nothing; all excellent
Nothing; a well-run event
Nothing, it was varied, interesting and useful
Nothing, was perfect
I can't think of anything!
At this moment I can't think of anything; great day
More networking time?
Not a lot!

Any suggestions for future event topics?

Just be as good as you were this year!
More non-criminal justice settings
How partners other than police are implementing RJ
RJ in a community setting; for example in a non-crime situation
More interactive presentations maybe?
It would be useful to hear about RJ and low level ASB. This is something continually raised in Avon and Somerset as to which I have little evidence to produce.
Perhaps a perpetrator or prison mentors perspective of RJ or a case study of a difficult conference
Hard act to follow!
More talks from 'RJ' experiences

Any final comments?
